

# CATHOLIC HIGH'S MINI-MED SCHOOL SUMMER CAMP

Catholic High welcomes you to participate in our Mini-Med School Summer Camp for all rising 10th grade Biomedical Students

June 25- 28  
9:00 a.m.- 12:00 p.m.

COST: \$100

After conducting research at a rigorous medical school, you will arrive for your first day of hospital duty only to be confronted with four sick patients, each with a different mystery ailment. Can your team of student-physicians come up with the correct diagnoses? Your team will comb through patient files, conduct several diagnostic tests, and even get to simulate surgery as you learn about some of the major body systems and four mystery diseases.

Come collaborate with your sisters of science to practice and learn via critical thinking activities, problem-solving exercises, and lab experiences. If time permits, you may also participate in an Escape Room! All Rising Sophomore Biomed students are welcome to attend.
