SCHOOL CLOSING

Announcements for school closings are placed on the school's voice mail system and announced over WBAL. Catholic High follows school closings/delays for inclement **winter** weather according to Baltimore County and/or Baltimore City announcements. No separate announcement is made for inclement weather closings/delays for Catholic High, except in the event of a heat-related closing.

DELAYED OPENING

If Baltimore County or City announces a 1-hour delayed opening, Catholic High will follow a **2-hour delay**. The **only** delay in opening is a **2-hour delay**.

MASS NOTIFICATION SYSTEM

In the event of a school closing/delay or other important announcement, a message is sent to parents and students through telephone, e-mail and/or text messaging. In order to receive these messages, phone numbers, e-mail addresses and mobile phone numbers must be entered into **Edline** accounts.

SCHOOL ORGANIZATION

SPONSORS

The Catholic High School of Baltimore, Inc. is sponsored by the Sisters of St. Francis of Philadelphia. As such, the members of the Corporation include the Congregational Minister and elected Council along with two appointed Sisters. The members have clearly defined reserve powers over the institution. The Sisters of St. Francis of Philadelphia define sponsorship as follows:

As Sisters of St. Francis of Philadelphia, we place our congregational name, our identity and our commitment behind specific ministries. By this action, we assume responsibility for promoting and assuring consistency with Gospel values, our congregational mission statement and the social teachings of the Church.

As sponsors, we publicly identify with, exert appropriate influence in, and provide various levels of support to these ministries. In so doing, we fulfill our responsibility of stewardship for our heritage, mission and resources.

Sponsorship allows us, within the appropriate structure of the ministry, to collaborate with the laity and to share with them authority and responsibility for the mission of the Church.

As sponsors, we are both recipients and carriers of the Gospel vision and values, the tradition of Francis and Clare of Assisi, and the charism of Mother Francis Bachmann. We commit ourselves to preserve, shape and extend this legacy in the manner most appropriate to each sponsored ministry.

BOARD OF TRUSTEES

The Catholic High School of Baltimore, Inc. is governed by a Board of Trustees. Through its several committees, the Board oversees the operations of Catholic High including fiduciary responsibilities. In addition, the Trustees are responsible for preserving the Catholic, Franciscan identity of the corporation and school as established by the Sisters of St. Francis of Philadelphia. There are between 15 and 21 members of the Board of Trustees, including Sisters of St. Francis of Philadelphia.

ADMINISTRATION

A team of administrators oversees the day-to-day operations of the school. The President is head of school and chief executive officer.

The Directors of Mission, Institutional Advancement, and Finance and Operations, along with the Principal, oversee various aspects of the school's operation. The Vice-Principal assists the Principal, and may, in the absence of the Principal, act on his/her behalf.

ACADEMIC DEPARTMENTS

Each academic discipline area is coordinated by a Department Chairperson. It is the duty of the Chairperson to work closely with the Principal to oversee and carry out the curricular goals of the department, to assist in faculty supervision and evaluation, to oversee the department budgets, and to make textbook recommendations. The Chairperson is a member of the school's Academic Council.

SUPPORT SERVICES

The school offers students and their parents services that support the educational programs. Included in this area are the Departments of Guidance, Library/Media, and Health Services.

SCHOOL POLICIES

NON-DISCRIMINATION

The Catholic High School of Baltimore, Inc. does not discriminate on the basis of race, color, religion, or national origin in the administration of educational policies, admissions, scholarship programs, athletics, or other school programs. Catholic High does not discriminate on the basis of sex or age in its hiring practices but reserves the right to restrict student admission to females. Students and faculty with ADA conditions will be considered if their needs can be met within the regular school program and existing physical structure. Catholic High provides physical handicap accessibility for programs presented in its dining hall and/or auditorium. Should enrollment need to be restricted, preference will be given to Catholic students, students enrolled in Catholic elementary schools, daughters of alumnae, and/or siblings of current students or alumnae who meet the general admission criteria.

ACADEMIC

The Maryland State Department of Education requires a minimum of 21 credits for graduation from a Maryland secondary school. *The Catholic High School of Baltimore* requires satisfactory completion of at least seven credits each year of attendance. Students are required to take theology each year of attendance. All credit courses taken at Catholic High must be passed to meet graduation requirements.

Graduation Requirements

<u>Course</u>	<u>Total Credits</u>
Theology	4 credits
English	4 credits
Social Studies	3 credits
Mathematics	4 credits
Science	3 credits
Foreign Language	2 credits
Health/Physical Education	1 credit
Fine & Creative Arts	1 credit
Technology	1 credit
Electives	4.5 credits
Community Service	30 hours annually

The administration of Catholic High retains the right to make minor adjustments in credit requirements for graduation in situations where a student's accomplishment in a particular area may warrant it. In all cases, the requirements of the Maryland State Department of Education for Non-Public Schools will be met. The decision of *The Catholic High School of Baltimore* in these matters will be final.

Grading (Report Cards)

The Catholic High School of Baltimore uses a letter grading system for all classes. The marking system is based on the following equivalencies:

97-100	A+	81-84	C+
93-96	A	77-80	C
89-92	B+	73-76	D+
85-88	B	70-72	D
		below 70	Failing

This grading determines the awarding of gold and silver honors, athletic participation, and student council eligibility.

Quality Point Index (QPI)

The Catholic High School of Baltimore offers courses at AP (Advanced Placement), H (McCafferty Honors), and CP (College Preparatory) levels. Grades received in these courses are computed with a weighted scale to give the student's Quality Point Index (QPI). This index ranges from 5.0 - 1.1. The QPI determines a student's class rank, eligibility for the National Honor Society, and honors recognition at graduation.

Grading Requirements

Report cards will be distributed four times a year (November, January, April and June). Interim Reports will be distributed at approximately the mid-point of the marking period; the exact dates are indicated in the School Calendar. Semester grades are computed from the quarter grades and the exam grade, with the exam grade counting 20%. For a full-year course (one credit), the final grade is an average of the two semester grades; for a ½ credit course, the final grade is the grade received at the end of the semester. A student's transcript will show only the final grade received for a course.

Course Failures

Students with a final grade of F will be required to make up the failing grade in a summer program approved by the Principal, and must attain a grade of D (70) or better. Students who do not make up failed grades in such a program may not return to Catholic High the following fall. Students failing more than three courses are not allowed to return to Catholic High.

Course Selection

Students are required to select seven credits of course work each year, according to published guidelines in the Catholic High Course Selection Book. Students' course selections require parental approval. The school reserves the right to determine a student's eligibility for selected courses according to prerequisites, enrollment, and ability to schedule these selections. The school also reserves the right to determine a student's course selections as part of a course of study related to the student's ability level.

Course Levels**AP – Advanced Placement****H – Honors****CP – College Preparatory****Academic Standards**

Academic subjects may be offered at the College Preparatory, Honors, or AP level. Course placement for entering students is based on transcript of grades earned and performance on standardized testing. Course placement for current students is based on academic performance at TCHS. Students should meet the following criteria to maintain or advance course placements into the proceeding year, as follows:

Level to Level	Criteria/Grade in Current Year's Course
Honors to Honors or AP to AP*	B
Honors to AP	B+ and permission of department chair
CP to Honors	B+ and permission of department chair
CP to AP	Permission from the department chair and from an additional teacher in the content area.

*Additionally, students registering for Advanced Placement courses in the History or English Departments must submit a writing sample of acceptable quality in order to be approved for enrollment in the class. Aside from the criteria for determination of course placement, individual courses may have their own specific prerequisites. Where applicable, prerequisites are listed on the following pages under the relevant course description.

Course Withdrawal*Change of Courses (Student Request)*

After September 7, 2016, the only requests for schedule changes that will be approved are those based on the following circumstances:

1. Student health problems verified by a physician.
2. An error in the scheduling process.
3. Student's completion of course work in summer school.
4. A senior needing specific credits for graduation.
5. Level changes approved by the teacher and department chair, and/or administration.

Change of Courses (Teacher Request)

Prior to September 30, a teacher can request course withdrawal for students unable to meet course requirements. This request is made to the Principal. Upon approval of such requests, the student is placed in another course in which she can succeed. A student may not be withdrawn from required courses but may have a level change within this area if her schedule accommodates the change.

If a student's mental/physical well-being warrants the removal from a course, this must be substantiated by a doctor's certificate. The Principal will place the student in an alternate course.

ACCIDENT INSURANCE

Student insurance is offered to all students through the Archdiocese of Baltimore. The school does not carry insurance to cover student accidents. Every student should be protected by some type of accident insurance. This must be provided by parents either through family health insurance or through this reasonable and specially designed student accident insurance. Forms are given to the student at the beginning of the school year. For the protection of all involved, a student who is not covered by health or school insurance will not be permitted to participate in any sporting activity. A written statement of insurance coverage is to be filed yearly in the school office.

VISITOR MANAGEMENT SYSTEM

Raptor is a system for visitors who will be moving throughout our building or signing out students. This added security keeps unwanted visitors out while tracking those who enter the building. This simple yet effective policy is **pro-active**. The administration is committed to maintaining a safe environment for our school community.

When a visitor reports to the Main Office:

1. The visitor's driver license or other state issued ID is scanned.
2. Web-based software instantly screens for registered sex offenders, domestic dispute offenders and other trespassers.
3. When a visitor is cleared, the software prints a badge featuring the name, photo, date, time and destination of the visitor. Only the name and photo are stored in the system--no address or license number is saved.
4. If a potential threat is identified, the system instantly alerts designated officials such as administration and law enforcement.

ADMISSIONS/ENROLLMENT

Female students who request admission to *The Catholic High School of Baltimore* will be considered on the basis of their ability to gain from the programs of instruction in the school and to benefit from and contribute to the social, recreational, educational, and spiritual climate. Appropriate entrance test(s) and evaluation of current school records are prerequisites for admission.

Incoming students must submit all school, health, and testing records from previous school(s). All psycho-educational testing must be disclosed including any current IEP documents. Health screening must be current and according to Maryland State school healthy policies. Ordinarily, Catholic High does not accept students into grade 12.

Transfer students must meet all academic requirements for their current year of enrollment. It is helpful for the families of prospective students to discuss any special learning needs with appropriate school personnel (i.e., counselor, nurse, director of enrollment and administrator) prior to enrollment. In this way, parents can make an informed decision about the best program to meet their daughter's educational needs.

ANTI-VIOLENCE

The Catholic High School of Baltimore expects all students to exhibit self-respect and respect for others in and around school. Therefore, violence of any kind will not be tolerated.

- Any student entering school or at any school activity with a weapon will be subject to expulsion per the school Disciplinary Code.
- Any student who verbally or physically threatens or assaults on school premises, at a school activity, or while in school uniform is subject to expulsion.
- Any behavior, including internet communications, that jeopardizes the safety and well-being of any member of the school community.

ATTENDANCE

Students are expected to attend school every day according to the school's published calendar. The school day begins at 7:50 am and ends at 2:35 pm. Students should arrive no later than 7:40 am in order to allow time to place their belongings in their locker and prepare books and materials for morning classes. **Students arriving in first period class after 7:50 am are considered late to school.** Any student arriving late to class is to report to the Main Office for a Late Pass to allow entry to the first class. For early dismissal, parents should allow students at least 15 minutes after dismissal time to exit the building. In addition, less than 3 hours of school attendance is considered to be a full-day absence. Between 3 and 3 1/2 hours attendance is considered a half-day. More than 3-1/2 hours attendance is considered a full day.

Absence should occur only when a student is ill or has serious emergency/family situations. Appointments of all types should be made outside school time. Absence for more than three consecutive days requires a doctor's verification. Students needing more than two weeks of extended absence due to medical reasons must arrange for a continuation of studies through the Principal's Office. Extended absence (five days or more) for non-emergency reasons must have the pre-approval of the Principal. In order to be considered for approval, the parents must notify the Principal in writing. This request must be submitted at least one week prior to the dates of absence. Such approval will not be granted during the exam period. **Students who accumulate six or more days of absences in a given quarter, unless they are extended absences made necessary by medical emergencies, will be subject to academic consequences determined by the school. Additionally, these students may be denied**

the privilege of participating in extra-curricular activities such as dances, clubs, sports, etc. Documentation in the form of a note from a physician is necessary but not sufficient to excuse the student from this penalty. The Administration decides each case based on its unique circumstances.

Excused Absences:

A student's absence is excused for any of the following reasons:

1. Illness of the student. A physician's note is required for a student who is continuously absent for illness.
2. School sponsored or approved events. Permission must be granted by the Principal at least one week prior to the event. A long-term absence form is required.
3. Death in the immediate family.
4. Court summons. Documentation is required.
5. Other emergency or set of circumstances which, in the judgement of the Administration, constitutes a good and sufficient cause for absence from school.

An absence, including absence for any portion of the day, for any reason other than those cited as excused are presumed to be **unexcused** and may constitute truancy.

Attendance Procedure:

1. The student's parent/guardian must report the student's absence by calling 410.732.6200 ext. 292 by **8:30 am** on the day of the absence.
2. Following the absence, the student must present a written note signed by her parent/guardian within **three** days of her return to school. The note is given to the first period teacher who will forward it to the Vice Principal. Failure to submit a written note will result in the absence being marked a truancy.
3. Students must be present in their assigned first class by 7:50 am. Students arriving after this time are to pick up a Late Pass from the Main Office before reporting to their first class. Students arriving after 8:30 am must have a note from a parent or

Attendance Procedure (continued):

guardian to be admitted to school. If an emergency warrants a medical visit during school hours, an official doctor's note is required. Students are granted **four** excused tardies for doctor visits. After **five** latenesses, a student will be assigned detention. Latenesses also may have a negative effect on grades.

4. Students needing an early dismissal must bring a note from home stating the student's name, grade level, reason for dismissal, time of dismissal, and a phone number where the parent can be reached. The note should be given to the Main Office Coordinator before 7:50am. The student should return to the office at the end of first period to pick up her early dismissal pass.

Make-Up Work

It is a student's responsibility to contact her teachers upon her return to school from an absence. Make-up work is required for all assignments and tests missed during an absence. For absences shorter than five days, the student is required to follow the classroom policies of the teacher for each subject. **For absences of five days or longer**, the student is required to obtain all class work and assignments through the assistance of the Guidance Office. Direct contact with teachers is encouraged through phone, e-mail or PlusPortals.

Perfect Attendance

A Perfect Attendance award is given to any student who is not absent during the school year. **Partial day absence and more than two occurrences of lateness nullify perfect attendance.** Students receive an excused absence for funerals after providing formal documentation from the funeral home, and for special events when they represent the school. These absences must be approved by the Vice Principal, and they do not nullify perfect attendance.

College Visits

Seniors should arrange college visits on early dismissal days or school holidays. **Appointments at colleges are to be cleared through the Vice Principal prior to the visit.** Seniors are permitted two college visits with no impact on perfect attendance status. Juniors are permitted one college visit during second semester with no impact on perfect attendance. A letter from the college registrar/student admissions is required to verify the visit. A copy of the invitation is not acceptable as verification of attendance.

Academic Dishonesty

Academic dishonesty is a deliberate act to give or receive information in a fraudulent manner. Students are asked to acknowledge the Honor Code on their work. Academic dishonesty includes but is not limited to:

- Representing someone else's work as your own (plagiarism)
- Allowing someone else the use of your work
- Using cheat sheets or any other test aids that are not allowed
- Employing others to do your work
- Sharing information about a test with those who have not yet taken it

Any type of academic dishonesty in testing or assigned work will result in an automatic failing grade. Both the student supplying information and the student receiving it are guilty.

CHILD ABUSE

The school follows all regulations regarding the reporting of suspected child abuse as outlined by the State of Maryland and the Archdiocese of Baltimore.

BULLY PREVENTION, INTERVENTION AND RESPONSE

Bullying, harassment, or intimidation of any student on school property, at school-sponsored functions, or by the use of electronic technology is prohibited at *The Catholic High School of Baltimore*. Such behaviors are contrary to school life in a Christ-centered community, which respects the dignity and uniqueness of all of God's children.

Bullying, harassment, intimidation, or retaliation against anyone who has reported these behaviors is prohibited. Students engaging in these behaviors are subject to disciplinary and/or legal action.

Students, parents, employees, and service providers are responsible for reporting incidents of bullying, harassment, intimidation, or retaliation. School administrators will ensure that all illegal behaviors are reported to the appropriate local authorities.

EXTRACURRICULAR ACTIVITIES

The Catholic High School of Baltimore sponsors an extracurricular activities' program that develops the student as a whole person and challenges the student to responsible leadership. All extracurricular activities are under the direction of the Vice Principal. Extracurricular activities such as athletics, school trips, through organizations and clubs, performances, school publications, and dances are offered at Catholic High. In addition, in order to be eligible to participate in extracurricular activities, students must be present in school and may not request an early dismissal unless approved by the Vice Principal. **Students must also meet financial, community service, and other school-related obligations and be academically eligible to participate in activities.**

Student Athletics

The Catholic High School of Baltimore participates in the Interscholastic Athletic Association of Maryland (IAAM) for its scholastic sports program. Each athlete must attend the required Parent/Athlete meeting held in August to participate in any scholastic sport throughout the year. All athletes submit a current physical, insurance waiver or verification, travel exception, emergency card, and acknowledgment of warning prior to sport participation. All students and parents/guardians must sign an Athlete Responsibility Acknowledgment Form in order for the student to be eligible to participate in athletics. Students, parents and coaches are held to the guidelines published annually by the Athletic Department and by IAAM regulations.

Athletic Trainer

The certified athletic trainer is responsible for the care and prevention of injuries for all athletic teams at *The Catholic High School of Baltimore*. The trainer will work with physicians to make return to play decisions following all injuries.

Athletic Participation

Students must be passing all subjects in order to participate in athletics. Students who receive any failing grades on their quarter report cards are declared ineligible until such grades are brought up to a passing level at the next interim. Students become ineligible on the day that report cards are sent home. If they become eligible to play again, this takes effect on the day that interims are sent home. If the season ends prior to the return date, students will not get credit for the season.

Missed Work

Students are responsible for making up any missed work due to early dismissal for athletics. This work should be made up by the next school day.

REFERRAL FOR OUTSIDE COUNSELING SERVICES

Occasionally, a Catholic High guidance counselor may recommend that a student seek the services of a professional therapist. This referral is done in consultation with, and the approval of, the student's parents/guardian. The procuring of the services of a therapist is solely the responsibility of the student's parent(s) or guardian.

In a few limited instances, the school may wish to communicate with a student's therapist regarding issues that affect her ability to succeed and thrive in the school environment. In this case, the school asks for a waiver of confidentiality in order to allow this communication to take place. The purpose of such consultations is generally limited to exploring school-based solutions to social, academic, and/or emotional problems the student is experiencing.

Students with Special Needs

1. Students with learning disabilities and requiring an Individualized Education Plan (I.E.P.) will work with the appropriate professionals at the local public school to obtain this document. This is generally done in consultation with the Guidance Office and educational staff of Catholic High. The Catholic High Guidance Department can provide information about the procedures involved in obtaining an I.E.P. from the local public school system.

2. Students with existing I.E.P.'s or psycho-educational assessments may receive instructional accommodations prescribed in these documents. The implementation of these accommodations, along with any additional academic supports needed by the student, is coordinated through the Guidance Office and/or the Director of the Archangel Program, as appropriate.
3. The granting of accommodations at Catholic High must be done in a manner consistent with the student meeting the general academic and behavioral expectations stated in this handbook.

FINANCIAL

Upon enrollment and annual registration at Catholic High, parents choose a tuition payment plan and sign a Tuition Payment Contract for payment of tuition and fees. This contract is unconditional and no portion of tuition and fees, paid or outstanding will be refunded or canceled in the event of absence, withdrawal, or dismissal/expulsion from the school.

Tuition Plans

PLAN 1: ANNUAL Tuition and fees paid in full by June 1 will receive a 3% discount. This does not apply when paying by credit card. Recipients of other discounts, aid, grants or scholarships are not eligible. Tuition is paid via the FACTS Management Company and accounts must be established with FACTS by April 15th each year. Annual payers do not pay a FACTS fee.

PLAN 2: SEMI-ANNUAL Tuition and fees are paid through FACTS Management Company on the following dates: June 5 or June 20 (½ total tuition and fees) and December 5 or December 20 (final ½ of tuition and fees). A \$10 fee is charged by FACTS and accounts must be established with FACTS by April 15th each year.

PLAN 3: MONTHLY The FACTS Management Company also administers an 11-month payment plan. The costs for this plan are a) \$40.00 fee charged upon enrollment, and b) required enrollment in the Tuition Refund Plan, a tuition payment insurance plan; the current premium is 2.1% of **all charges**. As a courtesy, we will move or delay two debits during the 11 month contract year. After that there will be a \$30.00 administrative fee charged by the business office to move or delay a debit. All requests for delays or movements must be received in writing via e-mail or letter no later than 5 business days (per your FACTS contract) before the debit is to take place. Fees owed to FACTS must be paid before account can be established for the following school year.

General Financial Policies

- Fees owed to FACTS must be paid before account can be established for the following school year.
- Checks returned for insufficient funds carry a \$40 fee payable to the school. Cash or money order will be required for all subsequent payments. The Business Office **does not** accept post-dated checks.
- A bulk payment will be accepted at any time to reduce monthly payments incurred under Plan 3.
- **Financial Aid must be applied for each year.** The deadline for applications is the last school day before Christmas break.
- If a student transfers to another school during the year, tuition assistance will also be withdrawn and tuition owed will reflect full payments without further tuition assistance. Students must meet the academic and disciplinary criteria for tuition assistance each semester.
- All tuition and fees must be current for students to be admitted for the semester and to receive final course grades. Attendance at proms and formal dances, the use of school-issued technology equipment, and participation in extracurricular events require current payments. **All tuition and fees must be paid by April 20 for event attendance after that date.**

The Catholic High School of Baltimore reserves the right to refuse to administer exams and/or provide any official school record, including report cards and diploma to parent(s), students, or other educational institutions until all tuition, fees, and other financial obligations to Catholic High are satisfied in full. Re-registration for the following academic year requires that tuition and fees are current.

Catholic High reserves the right to suspend a student for a period of up to five school days should the student's financial account fall more than 30 days past due. During the course of this suspension period, it is the responsibility of the parent(s) or guardian(s) to contact Catholic High and settle the debt. This suspension may occur over an exam period in either semester, including Final Exams. Exams are ordinarily required to receive credit for courses taken at Catholic High. The student will be withdrawn if financial obligations have not been met at the end of the five-day suspension period.

Catholic High will consider requests for exceptions to this rule on an individual basis only for extraordinary circumstances.

The school will expect reimbursement for costs incurred by any event held on campus or for services of school personnel, such as custodial or security.
- Clubs, School Organizations, and Parent Organizations that wish to conduct fundraising activities in the name of the school need to submit fundraising plans in the spring prior to the subsequent academic year. Parents requesting services under the IDEA Act are to contact the Local Education Agency (LEA) for an Admission/Review/Dismissal (ARD) meeting. Students diagnosed with a disability (educational, physical,

and/or emotional) will be considered for inclusion into the regular academic program at Catholic High. An Individual Education Program (IEP) must be in place for each student diagnosed. Support services from the LEA will be requested as needed to support the student while enrolled at Catholic High. These support services may include, but are not limited to:

- A special education teacher to monitor student's progress according to the IEP and to train teachers in strategies appropriate to meet the requirements of the student's IEP
- A support teacher/tutor to supplement efforts of the classroom teacher according to the learning needs of the student
- Counseling services for students diagnosed with emotional disabilities

Catholic High acknowledges that students with disabilities may successfully meet all requirements for graduation with a program of inclusion and support services, provided that their disabilities can be accommodated within the current physical plant and within the published academic program under the definition of inclusion. Catholic High regrets its inability to accommodate students requiring services which cannot be met by existing restraints of limited availability of personnel trained in special education and the physical constraints of its building. Catholic High will cooperate with students, parents, and the LEA to meet the needs of students diagnosed with disabilities that can be met by inclusion into the established program.

Under no circumstances will exams be given in advance of the published dates. **Seniors** who have A's on each of their first three quarter grades **may** be exempted from the final exam at the discretion of their teachers.

TEXTBOOKS

A list of required texts for each course offered is published in the summer for the following academic year. All students must have the required texts by the first full day of classes. Follett Virtual Bookstores offers new and used textbooks for students at Catholic High. Visit www.efollett.com for more information.

At the end of the school year, Follett Books will come to Catholic High and offer to buy back used books. Students, however, may sell them to other students on their own.

RELIGIOUS PROGRAM

It is expected that all students who attend *The Catholic High School of Baltimore* respect the religious nature of the school. The school adheres to the beliefs of the Roman Catholic Church in the Franciscan tradition. Empowered by Gospel values and rooted in the spirit and tradition of Saint Francis and Saint Clare, our young women experience their faith development in theology classes, through personal and communal prayer, liturgies, retreats, and Christian community service.

All students are enrolled each year in a theology course, participate in a yearly retreat, and attend prayer experiences and liturgies. Christian community service is a yearly commitment and a prerequisite for graduation. Through action and reflection, community service provides opportunities to build discipleship within the Catholic High community and in the world. In the words of St. Francis, "Preach the Gospel at all times and when necessary use words."

In addition, the school reserves the right to edit or restrict the use of any media to ensure compliance with the teachings of the Roman Catholic Church and the mission and Franciscan identity of the school.

CHRISTIAN COMMUNITY SERVICE

As a requirement for graduation, every student at Catholic High must complete service hours. **Students in all grade levels are required to complete 30 hours annually**

Submission dates for completed service hours:

Seniors- January 10, 2017: must reach 105 hours

Juniors- December 13, 2016: must reach 75 hours

Sophomores- January 10, 2017: must reach 45 hours

Juniors- March 7, 2017: must reach 90 hours

Sophomores- April 25, 2017: must reach 60 hours

Freshmen- May 2, 2017: must reach 30 hours

Completed yearly service hours are required for promotion to the next grade level. Service logs must be submitted to and validated by the Service Hours Coordinator. If service hours are not submitted by the published due date, financial aid, including scholarships, may be withdrawn and participation in extracurricular activities may be suspended. Service awards are presented to students who go above and beyond the stated requirement. All students are encouraged to exceed the minimum requirement. All students receive the detailed service policy each year. Any questions should be directed to the Service Hours Coordinator.

RETREAT

Catholic High provides the opportunity for an annual retreat for students. With the exception of the freshmen retreat, the retreats are scheduled during the school week off campus. The freshmen retreat is held the week before school starts at Catholic High. All students are required to attend school retreats. Excused absences include sickness and family emergency. Unexcused absences will result in assuming the retreat costs and completion of a pastoral experience outside of school time.

LITURGY

Students participate in formal religious experiences to commemorate religious feasts and seasons. Whenever possible, this is a Eucharistic celebration (Liturgy). Students plan, participate, and take appropriate leadership roles in these services, which are required for all students and faculty. Families and friends are invited to liturgies as published in the calendar.

Consequences include, but are not limited to, demerits, detentions, in-and out-of-school suspensions, and probation. Efforts to redirect student behavior may include conferences with parents and regular counseling sessions with the school's guidance counselors. These measures are aimed at enhancing the learning environment of the school by assisting students to meet acceptable standards of behavior. DEMERIT

Any faculty, staff or administrator has the right to issue a demerit for student uniform violations as listed in the school handbook. The demerit will be returned to the Vice Principal signed by a parent/guardian within three days. If the demerit fails to be returned within three days, an additional demerit will be issued. Four demerits in one quarter will result in a one-hour after school detention.

DETENTION

Teacher Detention

Teachers have the right to retain a student after dismissal for up to one half hour to address classroom behavior with the student. This request, if not honored by the student, will result in a referral to the Vice Principal. Teacher detentions require parent/guardian notification but may be held on the day the incident occurred. Participation in extracurricular activities does not excuse a student from a teacher detention.

School Detention

The Vice Principal issues a detention notice to the student that lists the infraction and date/time of the detention. There will be a minimum of 24-hour notice of a school detention given to a student, as noted by the date of issue of the detention notice. This notice must be signed by the student's parent/guardian and returned to the Vice Principal within 3 days. Students must serve detention for the time and on the day indicated on the detention slip. No exception will be made for that date. Participation in extracurricular activities does not excuse a student from a school detention. Students may be asked to perform non-credited school service during detention.

PROBATION

Catholic High may place a student on probation for serious or repeated violations of its Disciplinary Code. In such cases, the school designs a Probation Agreement that incorporates behavioral expectations, consequences, and a plan for improvement. Together, these items are intended to help improve the student's behavior. The school's administration determines the terms of the Probation Agreement, which is then signed by the student and her parents or guardian. Violation of the terms of probation is a Category IV infraction.

SUSPENSION/EXPULSION

Students may be suspended or expelled, as appropriate, for violations of the Disciplinary Code. The school also reserves the right to suspend or expel a student for behaviors not listed in the Disciplinary Code when such behaviors, in the opinion of the President and/or the Principal, cause, or threaten to cause, serious harm or disruption to students or the school environment.

In-School Suspension

Teachers will be requested to send assignments to the Vice Principal. Although assignments completed that day will receive a grade of zero (0), the assignments will allow the student to keep abreast of the material presented in class on the day of suspension. Parents will be notified before an in-school suspension is served. The policy is as follows:

- The student should report to the Vice Principal at the start of the school day.
- The student must bring all books and other materials needed to complete the assignments.
- All assignments submitted by subject teachers must be completed by the end of the school day.
- **The student will receive a grade of zero (0) on all class work, homework due or assigned that day, participation, and quizzes given on the date of suspension.**
- **If a major test or a major project/paper is due on the date of the suspension, the student must see the teacher to make arrangements for taking the test or submitting the project/paper.**
- The student must remain in the in-school suspension area and is only permitted to leave with permission.
- The student will not be allowed to use the dining hall. She should bring her lunch, including a drink, and will eat in the suspension area.
- The student is not allowed to participate in extracurricular activities on the day of the suspension.

Out-of-School Suspension

This type of suspension removes the student from school for a period of time. All of the conditions stated in bold above apply to an out-of-school suspension. A parent conference must be held prior to the student's return to school.

Financial Related Suspension

Student tuition accounts that are more than thirty (30) days past due shall result in the issuance of a suspension letter signed by the Director of Finance and Operations. Students will not be allowed to return to school until the financial obligation is met. Students will be dismissed from school after five (5) days of suspension. Three (3) financial related suspensions shall result in a dismissal warning letter to the

parents/guardians. Students will be dismissed should a fourth (4th) past due situation occur.

Expulsion

Expulsion is the permanent removal of a student from the school and its premises. In such cases, tuition that has been paid is forfeited to the school.

At *The Catholic High School of Baltimore*, we are fortunate to have the opportunity to expand our learning beyond the classroom. STUDENT SERVICES

MISSION OFFICE

Members of the Mission Office serve the spiritual life of the school community. Retreat, liturgies, prayer experiences, volunteer opportunities, and peace and justice activities are coordinated by this office.

GUIDANCE AND COUNSELING

The Guidance Department provides counseling to all students based on their individual needs, including personal, academic, career, and college advising. For students who may need intensive individual counseling for personal concerns, *The Catholic High School of Baltimore* works cooperatively with Loyola University to provide access to a counseling intern from their Pastoral Counseling Program. Participation in the Pastoral Counseling intern program is voluntary and requires parental approval.

The Catholic High Guidance Department coordinates and administers academic testing to freshmen, sophomores and juniors (PSAT). It also advises juniors and seniors with regard to SAT and/or ACT testing for college. Meetings with parents and students are held to assist them in the proper interpretation of standardized test scores, and to provide useful hints and advice on how to improve them.

Catholic High counselors routinely meet with students who experience academic difficulties or challenges. Group meetings between teachers and parents of individual students can be arranged when necessitated by particular needs or circumstances. The Guidance Office also works with the teachers and parents of students having special learning needs or challenges, through the auspices of the Archangel Program and its director.

The counselors assist students in all aspects of college planning, including the college search process, the preparation of educational resumes, essays, and application forms, and the completion of applications for college financial aid. Meetings are held with juniors and seniors, both individually and collectively, in order to acquaint them with, and guide them through, this process. Additionally, evening college planning meetings are held in the spring for parents of juniors, and in the fall and winter for seniors and their parents.

HEALTH

Catholic High provides a Health Center for students, under the direction of a registered nurse, during the school day. The Health Center's purpose is to provide care for emergencies, first-aid, and chronic health conditions. The nurse provides health-related counseling as needed.

Currently, annual physicals are required for all new students and athletes. In order to provide optimal care for our students, beginning with the Class of 2019 annual physicals will be required for all students. In addition, Catholic High follows Maryland State COMAR regulations regarding immunizations. In compliance with state law, students without documentation of immunization may not attend school.

Prescription medications will be administered to students provided there is a written physician order and the medication is in the original bottle with a copy of the prescription attached. All prescription and non-prescription medication is to be administered in the Health Center.

The nurse will administer non-prescription medication for students with the Medication Administration Consent on file. Whenever possible, medicine should be administered at home. Any student carrying prescription medication without proper authorization is subject to action under the Substance Abuse policy of the school.

Parents are asked to notify the nurse of any changes in the health status of their daughter. Students with an injury requiring crutches need a physician's note stating they may attend school while ambulating on crutches. In case of serious illness or injury, every effort will be made to contact the student's parent/guardian. In an emergency, the student may be transported to the nearest hospital, accompanied by school personnel.

If a student is too ill to remain in school, the parent/guardian will be notified. Once notified, the parent/guardian is expected to pick up their daughter within one hour. Students may not dismiss themselves from school.

SISTER ARNOLDINE O'CONNELL, OSF DINING HALL

Food services are offered at Catholic High. A complete lunch service, (hot and cold foods) and vending machines are available to students. Cash and Cub Cards may be used to purchase food in the dining hall. Vending machines do not accept Cub Cards. Eating is restricted to the dining hall only. Students are expected to clean up after themselves, leaving tables cleared and chairs pushed in.

STUDENT SUPERVISION

At all times, students are to be in a classroom, lab, library, resource center, gym, or assembly area with adult supervision. Students are to gather before school in the dining hall until dismissed to classes. After-school supervision is available in the dining hall from 2:35 pm-4:00 pm.

DECARLO LIBRARY/MEDIA CENTER

In the DeCarlo Library/Media Center, Catholic High provides a variety of resources to support the academic program. In addition to an extensive book and reference collection, the library provides on-line services, networked computers for data retrieval, and electronic communications with links to regional library collections. Print resources are updated yearly. A copier is available for student use.

The library is open from 7:30am - 3:30pm daily, except for days scheduled for early dismissal. Students will be charged for books and materials not returned within the academic quarter. Report cards will be withheld for outstanding obligations. During the school day, a student is admitted to the library under the direction of her teacher.
