2. Terms and/or Vocabulary It is a useful study habit and technique to work with vocabulary/terms/ or people, places or things. If you do these well, you will have a good set of notes for unit tests, quizzes and the all-important AP exam. Since we will cover the Renaissance period at the beginning of school and have a test within the first two-three weeks of school, these terms provide important foundations for our first unit. I will supply you the terms and directions in which you will complete this assignment.
