The Catholic High School of Baltimore Mothers' Club

The Mothers' Club consists of parents, and guardians of present students that are dedicated to the education, the enrichment and empowerment of the young women attending The Catholic High of Baltimore. As mothers we wish to show our love, support, encouragement and enrich the enjoyment that a young woman's high school years can bring to their development as adults. At Catholic High we hope they foster life time relationships that carry them through their entire lives.

All Mothers' Club meetings are held the third Tuesday of each month at 6:30 p.m. in the DeCarlo Library unless otherwise noted. Everyone is encouraged to attend. We are always looking for new ideas, members and future leadership on our Executive Board.
