RE: Field Trips & Out-of-State Travel

Dear Parents and Guardians of Catholic High students,

In line with local jurisdictions (Baltimore City and Baltimore County) and the Governor's ban for state employees, Catholic High must also cancel travel outside the state. We are making this decision out of concern for the health and welfare of our students, their families, and our staff. This is not a decision we have made lightly, but given what is currently happening in this country and others, this action is necessary.

We are researching options for students who were planning to travel to Chicago, Disney, and Panama. As we receive updated information we will share it with our families as necessary. We understand your concern and disappointment.

Thank you for all you are doing to support one another and to keep members of our Catholic High community safe at this time.

May God bless you and your families,
