

The Catholic High School of Baltimore

80th Anniversary Campaign

1939 - 2019

LIGHTING THE WAY ~
EMPOWERING WOMEN ~
TRANSFORMING THE WORLD

A MESSAGE FROM THE PRESIDENT

Dear Friends of Catholic High,

When the Sisters of St. Francis of Philadelphia opened Catholic High's doors 80 years ago, they embarked on a bold undertaking – establishing a new high school and constructing a major building. Today, Catholic High continues to be a significant landmark in Baltimore and a leader in the forefront of educating young women.

Over 13,000 young women have passed through our doors transforming our community and the world. Catholic High remains committed to supporting young women and educating them in the Franciscan tradition. Our devoted and talented faculty teach our students to think for themselves with intelligence and compassion.

Catholic High is an extraordinary high school that has cultivated and refined the face of Catholic education. As we strive to meet evolving needs to continue our exceptional programs, our 80th campaign efforts will propel Catholic High into the future for the next 80 years. **Your gift will light the way and empower our young women to transform the world for years to come.**

Sincerely,

Barbara D. Nazelrod, Ph.D. '68
President

Our 80th Anniversary Campaign includes monies contributed over the next two years through annual giving, major gifts, and planned giving. This undertaking makes a bold statement about the commitment of the school, community, and the Sisters of St. Francis of Philadelphia to Catholic education in Baltimore. The total goal is to raise \$4,000,000 over the next two years.

The 80th Anniversary Campaign Funding Components

GROWING THE GREEN & GOLD FUND

Gifts to the Green & Gold Fund enable us to offer dynamic academic programs in a nurturing environment to an inclusive community of young women.

RENOVATING THE DRIVEWAY

The renovation of the western campus into a safe and accessible parking area and driveway for the drop off and pick up of 300 students will provide our school and community with a secure and safe means of ingress and egress.

Parking Lot Re-design Conceptual Plan

MODERNIZING & UPGRADING STEM AND BIOMEDICAL CLASSROOMS

Improvements and upgrades of aging labs, science rooms, outdated equipment and technology will equip teachers with the necessary tools to enrich laboratory instruction.

STRENGTHENING THE ENDOWMENT FOR SCHOLARSHIPS & FINANCIAL AID

An increased endowment will offer continuing support through scholarships and financial aid for current families.
