President's Message

Dear Friends of Catholic High,

In September 1939, *The Catholic High School of Baltimore* opened its doors. The Sisters of Saint Francis of Philadelphia raised the money to construct this unique school in the Belair-Edison Community that continues to stand tall on the hill of the Raming Estate *lighting the way* and empowering women through superior academic programs rooted in Franciscan values. Catholic High embraced its 85th year of transforming the lives of deserving young women. As a graduate and President of Catholic High, I am proud to be part of this exciting time in the school's history.

The 2023-2024 Green & Gold Fund: Empowering Women: 85 Years of Academic Excellence highlighted our practice to expand and improve our extensive academic programs in STEM: Biomedical, Engineering, and Sports Medicine Concentrations, Visual & Performing Arts, Law and Leadership, Archangel, and Athletics. Gifts totaling **\$1,252,895.01**, as outlined in this report, supported our acclaimed school programs and provided scholarships and financial aid to visionary young women.

This year, 78 seniors from the Class of 2024 were awarded over \$12,000,000 in scholarships, grants, and awards, and 100% of them gained acceptance into colleges and universities such as Cornell University, Boston University, American University, and University of Maryland Honors College. Our highly sought-after programs continue to attract creative young women who move beyond Catholic High to excel in a variety of arenas.

During this historic year, we want to recognize the overwhelming generosity of our donors. We are pleased to present this **Annual Report** acknowledging our many benefactors and their commitment to our school's mission. Also, this report highlights the additional gifts from donors who gave to the **Sister Mary Arnoldine O'Connell, OSF, Kitchen Restoration** amounting to over **\$326,000**. The kitchen was remodeled for the fall of 2024 and is a modern Center for the Culinary Arts. Also, our Reunion Class Giving Program, St. Clare Fund, and Tau Society are presented in this report.

Catholic High remains strong due to the commitment, vision, and passion of our Board of Trustees, alumnae, volunteers, staff, friends and donors. Every gift makes a difference in cultivating a community that continues to empower young women.

The Tau Society

The Tau Society honors a committed and special group of benefactors who choose to include *The Catholic High School of Baltimore* in their estate plans or in any planned gift arrangement. Upon making an estate gift, these individuals become members of The Tau Society. To thank members, we invite them to participate in the annual President's Reception and recognize them in the Annual Report of Gifts.

Historic Kitchen Restoration Report of Donors

Sister Mary Arnoldine O'Connell, OSF was born in 1903 in Kilbrin, County Cork, Ireland. In 1925, she entered the order of the Sisters of Saint Francis of Philadelphia. In 1939, she began a ministry in education that would span 43 years with 42 years at Catholic High as teacher and Minister of Food Services, providing healthy meals for Catholic High young women for many decades. The original kitchen still remains as Sister Arnoldine would have remembered it in 1939. The outer cafeteria was renovated and named in Sister Arnoldine's memory (The Sister Arnoldine O'Connell, OSF Dining Hall) in 2008. The rear kitchen was never refurbished and is now in need of a complete restoration.

Sister Mary Arnoldine was the first supervisor of the kitchen and managed the operations of the kitchen and the cafeteria for four decades. She was renowned for planning and cooking hearty meals, many of them Irish, and creating wholesome drinks and shakes for our young women of Catholic High. In honor and in memory of Sister Mary Arnoldine who spent over 42 years in the Ministry of Food Services at Catholic High, we completely restored and renovated Catholic High's kitchen into a modern state-of-the-art Center for the Culinary Arts. We raised **\$326,000** in a multi-year campaign to restore our 1939 timeworn kitchen into a culinary center.

Our giving levels were lovingly proclaimed in Sister Mary Arnoldine's memory. Many alumnae, friends, parents, staff, foundations, and students gave to this historic kitchen restoration. Their names are listed with honor in our Annual Report and on the TCHS Donor Shield displayed in front of the new Center for the Culinary Arts. We have an unsung alumna who kept giving to ensure that we met our goal to refurbish the old kitchen. In honor of that alumna, the kitchen is named the **JoAnn Porter Lamp '65 Center for the Culinary Arts, Dedicated in Memory of Her Beloved Husband, E. Joseph Lamp, Ph.D.**
